### Fecal Scoring System

**Score 1** - Very hard and dry; requires much effort to expel from body; no residue left on ground when picked up. Often expelled as individual pellets.

**Score 2** - Firm, but not hard; should be pliable; segmented appearance; little or no residue left on ground when picked up.

**Score 3** - Log-like; little or no segmentation visible; moist surface; leaves residue, but holds form when picked up.

**Score 4** - Very moist (soggy); distinct log shape visible; leaves residue and loses form when picked up.

**Score 5** - Very moist but has distinct shape; present in piles rather than as distinct logs; leaves residue and loses form when picked up.

**Score 6** - Has texture, but no defined shape; occurs as piles or as spots; leaves residue when picked up.

**Score 7** - Watery; no texture; flat; occurs as puddles.

It also frequently refers to a morning bowel movement. Its a euphemism for a bowel movement. (From a time when using the bathroom meant going for a walk to the outhouse--the original meaning was still "going for a walk", but this idea was used in the euphemism for going to the bathroom.)

## Artist Statement

I have an advanced degree so understand the intricacies of government and law. I made this piece while I was at work. My dog had diarrhea this morning.
