

The Lyrics to “Baby One More Time” by Britney Spears As Recalled Purely From Memory

Oh yea yea yea yea yea  
Oh yea yea yea yea yea

Oh baby baby  
How was I supposed  
To know

That something wasn't right here

Oh baby baby  
I shouldn't have let  
You go

I should have put up a fight here

Show me baby  
How you want me baby  
Show me something  
Oh just for love

My loneliness is killing me  
And I

I must confess  
I still believe

still believe

When I'm not with you I lose my mind  
Give me a sign

Hit me baby one more time

Oh baby baby  
The gleeful breath of fate  
Blows us back and forth  
Here

Oh baby baby  
The lizards crawl in my dreams  
And describe to me a shining puzzle

Show me baby  
How you want me to be

Show me baby  
Cause I need to know right  
Just because

My loneliness is killing me  
And I

I must confess  
I still believe

still believe

When I'm not with you I lose my mind  
Give me a sign

Hit me baby one more time

My loneliness  
My loneliness

Is killing me right now  
And the signs all point  
To the sky

Give me a sign  
Give me a sign that my loneliness  
Still believes

The sky is the mirror upon which belief paints its secrets

Give me something that's not with you  
I lose my mind

Give me a sign

Hit me baby

Hit me baby

Hit me baby one more time

Hit me baby  
Oh just because

When I'm not with you I lose my mind  
Give me a sign

Hit me baby one more time
