

[1]

borders of a star

as to all
this herniated parasol;
grindr - narrow
the headless apollo to

hips
a collation to derisory;
the temperate morass
from repressed union -

a dalmatian spread
in yesterday's dinner,
gargantuan husk
we're ferrying the

tang,
infection's malted
lacinate - until
with ought

a gag reflex,

rebuffing from
consent - what i am
word flap nor jettisoning
the given - of tugging

ours
the perineal lunettes with
light, beautiful but obliging
exterior flayed, not the

until
crunchy chromosomal suture
sequence,
with digestion there's

egregious and gratuitous

will you finish my life for me

[2]

a gag

from
the given -

as to
borders of a star

in herniated parasol;

egregious

the perineal lunettes

tugging

with ought

for Rainer Maria Rilke, after "Archaic Torso of Apollo"
