

some kind of office setting

a bird with red & gold feathers

a chick, it was being hunted, I

hid it & traveled with people

I had to pick up its shit and mould

it into a patty & travel with it

to keep from being caught

an internship at place Andrea works

(but different) was possible while I

was in school, separately from Hunter

internship. Was waiting to hear if

I got it. But, the one thing

preventing me was a local

bartender said I was homophobic

& yelled "faggot" at people
